Zadanie 1.

Rozmowa 1.

- Man:* How would you like to have your hair cut?
Woman: I'd like to have it shorter. But don't cut it too much.
Man: Certainly, what about 2 centimetres?
Woman: I'd like to put it in a ponytail later on.
Man: Sure, no problem. I will cut just 2 centimetres, not more.

Rozmowa 2.

- Man:* Is that our train to Manchester?
Woman: I don't think so. Our train leaves from platform 2. That is platform 1.
Man: OK. So we have to wait then.

Rozmowa 3.

- Man:* Can I help you?
Woman: Have you got these skirts in white?
Man: Yes. What size do you want?
Woman: Size 8, please.
Man: Here you are.

Rozmowa 4.

- Boy:* What's that lovely smell?
Woman: Pumpkin soup. I'm trying a new recipe. I found it on a cooking blog.
Boy: Let me taste it. Hm, I think it needs a little salt.
Woman: All right, here goes the salt. What do you think now?
Boy: Mmm, now the soup's perfect!

Rozmowa 5.

- Boy:* I hope our new maths teacher will be friendly.
Girl: We will see. I can't wait to meet him. I have done my homework perfectly.
Boy: Me too. OK. Let's stand up, he's coming into the classroom.

Zadanie 2.

Tekst 1.

- Girl:* What do you usually do after your classes?
Boy: I love sport, so I stay at the school gym with my friends. We play basketball. And you?
Girl: Well, I usually do my homework or watch TV.

Tekst 2.

Man: Smart Gym. How can I help you?

Girl: Hello. I'm a new member of the fitness class for girls. I'd like to find out what I need to bring with me. Trainers, I guess, but what about other things? Maybe an exercise mat?

Man: Well, in fact, in this class you exercise in socks, not trainers. You definitely need to have your own towel but don't worry about the exercise mat because we've got enough of them here for everyone.

Tekst 3.

Boy: Hello Mary. It's Andrew. I'm calling about our fancy-dress party. I've finally decided what I'm going to wear. But it took a while! First, I tried on a clown costume, but I didn't look good in it. So, I put on a pirate costume. It wasn't bad, but then I saw a fantastic prince costume. Unfortunately, it was too small for me. Really bad luck! So I tried the pirate costume on again and decided to go for that.

Tekst 4.

Woman: I'm never late for work. I am always well prepared. I work in a classroom and I stand in front of students. I help them to learn subjects like English, Science or Maths. I'm also responsible for planning and organising different events and activities both in and outside of school.

Tekst 5.

Boy: Hi Emma.

Girl: Hi Jake, what's up?

Boy: My cousin is coming to visit me this Saturday, and I'd like him to have a great time. Where do you think I could take him? I have no idea if there are any events on over the weekend.

Girl: If he likes reading, you could take him around some bookshops. It's *Free Comic Book Day* this Saturday, so you'll be able to get loads of comic books totally for free.

Boy: I knew it was a good idea to call you for help. Thanks a lot.
