*Woman:* All right, class. Now, I need everybody to be quiet. In a moment we will get off and visit the old town. There are many interesting things to see: old streets, churches and museums. You can take pictures and ask me questions. OK, let's go! Don't forget your backpacks.

#### Tekst 2.

*Man:* If you are looking for a present I can recommend some board games, a basketball or an electric toy car. By the way, we have a discount on board games today. You can buy two games at half price.

#### Tekst 3.

*Woman:* You can take this medicine. It is the best cough medicine. It's made of honey and lemon, so it's natural and safe. Take it every morning for five days. You also have to stay in bed and drink a lot of water. If you don't feel better in a few days, please come back next Monday.

#### Tekst 4.

*Boy:* Hi, it's me, Bill. Where are you, Mary? You are 20 minutes late! I hope you are on your way. Anyway, I've just ordered some lemon tea. I'm waiting inside, the first table on the left.

#### Tekst 5.

*Woman:* We have books, magazines and newspapers. You can read them here or you can take them home for two weeks. If you need to find something, you can use the online catalogue or ask me for help. And remember – always put books back on the shelves.

### Zadanie 2.

#### Tekst 1.

*Boy:* Mum, can we get a new pet, please?

*Mum:* No, Tom. Let's just buy food for the fish.

*Boy:* Just look at that rabbit's long white ears and pink nose... It looks so soft and cute.

*Mum:* Tom, come on – we already have a parrot and a fish.

*Boy:* But Mum, if you agree to buy the rabbit, I will take care of it myself.

**Tekst 2.**

*Mum:* Sam, your parcel's finally arrived.

*Sam:* Great, just in time for tomorrow!

*Mum:* But, please take your headphones off. We can't talk properly when you're wearing them.

*Sam:* OK. I'll open the parcel and try the trainers on. I hope they are the right size.

*Mum:* How do they feel?

*Sam:* Mum, they are just perfect and they match my T-shirt. Thanks.

*Mum:* You're welcome. I hope they will help you win the competition.

**Tekst 3.**

*Woman:* Jack, I'm sorry but I won't be able to drive you to school tomorrow. I have to leave home half an hour earlier than usual. Could you go by bike?

*Boy:* Unfortunately, something is wrong with the back wheel, but I can take the bus.

*Woman:* I'll just check the weather forecast. Oh no, it says it's going to rain all day. It's a 15-minute walk to the bus stop, you'll get terribly wet.

*Boy:* So can I go with you? I don't mind getting to school earlier.

*Woman:* OK. Let's do that. I'll drive you then. And we'll try to get your bike fixed at the weekend.

**Tekst 4.**

*Man:* First, select the language from the list. For example, if you choose Polish, you'll have all the menus in this language. Even the names of cities on the maps will be translated! Then you can copy the contacts from your old card. You can also install some useful apps like dictionaries. Remember not to leave your new device in the sun. Don't spill water on it, either!

**Tekst 5.**

*Girl:* Hi, James! Thanks for inviting me to your party. I'm looking forward to it. There's just one thing. My cousin is staying at my place this weekend, because he's helping me redecorate my room. Can I bring him with me? I don't want to leave him alone for the whole evening and I'm sure we'll all enjoy his company. Please call me back.
